D. Contested Case Update

IX. STAFF REQUEST FOR AGENCY GUIDANCE

- A. Life House Hospice, Inc. Cookeville (Putnam County), TN — CN1405-016
Life House Hospice, Inc. Cookeville (Putnam County), TN — CN1406-023

The above applications (the first being an Emergency CON application) requested the establishment of a home care organization to provide hospice services in Putnam County, Tennessee in conjunction with the existing Life House Residential Hospice located at 570 State Street, Cookeville, Tennessee. The emergency certificate of need and follow-up certificate of need were requested because Life House, a licensed residential hospice, had to cease all residential/inpatient operations due to its inability to become Medicare-certified because CMS will not certify a stand-alone residential hospice.

Agency staff seeks guidance whether to initiate a contested case pursuant to T. C. A. § 68-11-1619 for the revocation of these certificates of need. **DEFERRED TO FEBRUARY 2017 MEETING.**
